

On 29th October, 2025, a guest lecture was delivered by **Sh. Piyush** from **CGC University, Mohali** on the topic **“Career Prospectus After Graduation.”** During the session, he provided an in-depth overview of various academic and professional pathways available to students after completing their undergraduate studies. He discussed emerging career trends, industry expectations, and the importance of developing both technical and soft skills to stay competitive in today’s job market.

He also highlighted opportunities in higher education, specialized diploma programmes, entrepreneurship, and skill-based courses that can enhance employability. The lecture included practical guidance on resume building, interview preparedness, and the role of internships in gaining real-world exposure. Students actively interacted with the resource person, seeking clarity on different career domains and future prospects.

Overall, the session proved highly informative and motivating, offering valuable insights to help students plan their post-graduation journey more effectively.
