

Report on National Science Day Celebration

National Science Day was celebrated with great enthusiasm and academic fervor at Government College, Solan on 28th February 2026. The programme was organized at 2:20 PM in the College Conference Hall, witnessing active participation from students and faculty members of the Science stream. The celebration aimed to promote scientific temper, innovation, and awareness about the significance of science in everyday life, in alignment with NAAC quality parameters of academic enrichment and co-curricular engagement.

The event was organized by the Department of Physical Sciences under the guidance and coordinated efforts of Prof. Yogesh, Dr. Anil Thakur, Dr. Satish Thakur, Dr. Ramesh Kashyap, and Dr. Preeti. The meticulous planning and collaborative teamwork ensured the smooth and successful conduct of the programme.

The highlight of the celebration was the keynote address delivered by Prof. Sunil Khah from Jaypee University of Information Technology. In his insightful lecture, he emphasized the importance of innovation, scientific research, and technological advancement in national development. He encouraged students to cultivate a scientific mindset, critical thinking skills, and research-oriented approaches in their academic pursuits. Prof. Khah also provided valuable guidance on emerging career opportunities in science and technology, motivating students to contribute meaningfully to society through scientific endeavors.

To foster competitive spirit and intellectual engagement, a Science Quiz Competition was organized during the programme. The team comprising Namrata, Chetna, and Vaishnavi of B.Sc. 3rd Year secured the First Position, demonstrating commendable knowledge and teamwork. Additionally, Miss Aditi Thakur, a B.Sc. 1st Year student, was awarded a Special Prize for her outstanding Poster Presentation, which reflected creativity and scientific awareness.

The programme concluded with an address by the officiating Principal, Dr. Nivedita Pathak, who expressed her sincere gratitude to the keynote speaker for his enlightening and inspiring lecture. She appreciated the efforts of the organizing committee and lauded the enthusiastic participation of students. She remarked that such academic events significantly contribute to the holistic development of students and strengthen the institution's commitment to quality education and research orientation.

The event ended with a formal Vote of Thanks, marking the successful culmination of the National Science Day celebration. The programme not only enhanced scientific awareness among students but also reinforced the college's dedication to fostering a culture of inquiry, innovation, and excellence in higher education.
