Time: 11:00 am onward

Organized by: Career Counseling and Guidance Cell, GC Solan

Topic: PMKVY-related Computer Courses and IT Awareness

Resource Persons: Ms. Diksha and Mr. Ashok Kanwar (NBCFSI)

Introduction

The Career Counselling and Guidance Cell of Government College Solan organized an informative session on “**PMKVY-related Computer Courses and IT Awareness**” under the skill development initiative of the **Pradhan Mantri Kaushal Vikas Yojana (PMKVY)**. The main objective of the session was to create awareness among students about the scope of computer literacy and skill-based training programs available through PMKVY.

Details of the Session

The session was conducted by the expert resource persons **Ms. Diksha** and **Mr. Ashok Kanwar** from the **National Board for Computer and Financial Skill Initiatives (NBCFSI)**. They introduced the students to various short-term and job-oriented computer courses offered under PMKVY, including basic IT skills, digital literacy, data entry operations, and e-governance applications.

The speakers emphasized how such programs enhance employability by aligning the students’ skills with the demands of the modern job market. They also explained the registration process, eligibility criteria, and benefits of obtaining PMKVY certification, which is recognized at the national level.

Key Highlights

- Overview of PMKVY and its objectives in promoting skill-based education.
- Importance of IT awareness in all fields of study and employment.
- Details about NBCFSI’s role in implementing PMKVY courses.
- Guidance on choosing suitable courses based on interest and career goals.
- Interaction and Q&A session addressing students’ queries regarding career prospects in the IT and digital sectors.

08.11.2024

Student Participation and Feedback

The session witnessed active participation from students of various streams. Students expressed keen interest in enrolling for PMKVY courses and appreciated the practical insights shared by the resource persons. The interactive nature of the session helped clarify doubts about government-sponsored skill training programs.

Conclusion

The career counselling session proved highly beneficial for students, as it expanded their understanding of **PMKVY computer courses** and the growing importance of **digital literacy** in today’s professional landscape. The guidance and motivation provided by Ms. Diksha and Mr. Ashok Kanwar encouraged students to utilize such opportunities for personal and career development.

Organized by: Career Counselling and Guidance Cell, GC Solan
Topic: Group B & Group C Jobs in Government Sector
Resource Person: Mr. Amit Bhatt (Times of India Group)

Introduction

The Career Counselling and Guidance Cell of Government College Solan organized an enlightening career counselling session on "**Group B & Group C Jobs in the Government Sector**" in collaboration with the **Times of India Group**. The session aimed to guide students about the wide range of opportunities available in the public sector and to help them prepare effectively for various competitive examinations.

Details of the Session

The session was conducted by **Mr. Amit Bhatt**, an experienced career expert from the **Times of India Group**. He began the session by explaining the classification of government posts into Groups A, B, C, and D, with a particular focus on the recruitment process, eligibility criteria, and career growth opportunities in **Group B and Group C services**.

Mr. Bhatt highlighted popular examinations conducted by bodies such as the **Staff Selection Commission (SSC)**, **State Public Service Commissions (PSCs)**, **Railways**, and various **Central Government Departments**. He also discussed the importance of developing analytical skills, general awareness, and communication skills to excel in these competitive exams.

Key Highlights

- Overview of Group B and Group C posts and their roles in government administration.
- Guidance on major recruitment exams like SSC CGL, SSC CHSL, and State-level service exams.
- Discussion on syllabus, preparation strategies, and study resources.
- Insights into balancing academic studies with competitive exam preparation.
- Motivational advice on persistence, time management, and career planning.

17.12.2024

Student Participation and Feedback

The session witnessed enthusiastic participation from students of various disciplines. The students actively interacted with the resource person and sought guidance regarding examination patterns, eligibility criteria, and effective study methods. Many participants appreciated the clarity and practical advice provided by Mr. Bhatt.

Conclusion

The career counselling session proved to be highly beneficial for students aspiring to secure **Group B and Group C positions in the government sector**. The informative and interactive approach of **Mr. Amit Bhatt** helped students gain valuable insights into the structure of government employment and the pathways to success.

- d. The Career Counselling and Guidance Cell of Government College Solan organized a highly informative session on **“Preparation for Competitive Exams”** in collaboration with Crack Academy on 19th December 2024. The main objective of the session was to motivate and guide students on effective strategies to prepare for various national and state-level competitive examinations.

Date: 19.12.2024
Venue: College Hall, Government College Solan
Time: 11:30 am Onward
Organized by: Career Counselling and Guidance Cell, GC Solan
Topic: Preparation for Competitive Exams
Resource Persons: Mr. Raj Malhotra and Mr. Rajender Singh (Crack Academy)

Introduction

The Career Counselling and Guidance Cell of Government College Solan organized a highly informative session on "Preparation for Competitive Exams" in collaboration with Crack Academy on 19th December 2024. The main objective of the session was to motivate and guide students on effective strategies to prepare for various national and state-level competitive examinations.

Details of the Session

The session was conducted by renowned education experts Mr. Raj Malhotra and Mr. Rajender Singh from Crack Academy, a reputed institute known for mentoring aspirants of civil services and other government examinations.

Mr. Raj Malhotra emphasized the importance of clarity of goals, consistency, and conceptual understanding in competitive exam preparation. He shared valuable insights on tackling exams like UPSC, HPPSC, SSC, Banking, and State Services, highlighting the need for balanced preparation across subjects such as general studies, current affairs, reasoning, and quantitative aptitude.

Mr. Rajender Singh discussed practical aspects of exam strategy — including time management, note-making techniques, mock tests, and revision methods. He also motivated students to cultivate discipline, perseverance, and a positive mindset throughout their preparation journey.

Key Highlights

- Overview of various national and state-level competitive exams.
- Importance of planning, regular study schedules, and self-assessment.
- Guidance on resource selection and effective study materials.
- Tips on managing stress and maintaining motivation.

- Interactive Q&A session addressing students' career and exam-related doubts.

Student Participation and Feedback

The session witnessed enthusiastic participation from students of all streams. The interactive nature of the discussion encouraged students to share their career goals and seek personalized advice. Participants found the session extremely useful and inspiring, especially the practical strategies shared by the speakers.

Conclusion

The session proved to be a valuable learning experience for students aspiring to build careers through competitive examinations. The guidance provided by Mr. Raj Malhotra and Mr. Rajender Singh equipped them with effective strategies and renewed motivation to pursue their goals with determination.

Career counselling & Guidance Cell

Principal
Govt. College Solan

Date: 26.12.2025

Venue: Room No.2 Government College Solan

Time: 1:00 pm

Organized by: Career Counselling and Guidance Cell, GC Solan

Topic: Preparation for Competitive Exams – UPSC & HPPSC

Resource Persons: Mr. Deepak Kumar and Mr. Anil Singh (ESEMBLE IAS Academy)

Introduction

The Career Counselling and Guidance Cell of Government College Solan organized an insightful and motivating session on "Preparation for Competitive Exams – UPSC & HPPSC" in collaboration with ESEMBLE IAS Academy on 26th December 2025. The primary objective of the session was to provide guidance to students aspiring to join civil services and other administrative positions through the Union and State Public Service Commissions.

Details of the Session

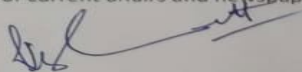

The session was conducted by eminent educators and mentors Mr. Deepak Kumar and Mr. Anil Singh from ESEMBLE IAS Academy, a reputed institute known for its expertise in civil services coaching.

Mr. Deepak Kumar began the session by outlining the structure and stages of the UPSC Civil Services Examination and the HPPSC State Civil Services Examination, explaining in detail the Preliminary, Mains, and Interview stages. He emphasized the importance of understanding the syllabus, current affairs, and conceptual clarity in subjects such as polity, history, economy, and environment.

Mr. Anil Singh focused on practical preparation strategies, including effective time management, answer writing practice, and regular self-assessment. He also encouraged students to cultivate critical thinking, reading habits, and consistency, which are essential for success in competitive exams.

Key Highlights

- Detailed overview of UPSC and HPPSC exam patterns and eligibility criteria.
- Guidance on selecting optional subjects and preparing comprehensive notes.
- Importance of current affairs and newspaper reading.

26.12.2024

- Tips on developing analytical skills and maintaining discipline in study routines.
- Motivational insights for staying focused and resilient during preparation.

Student Participation and Feedback

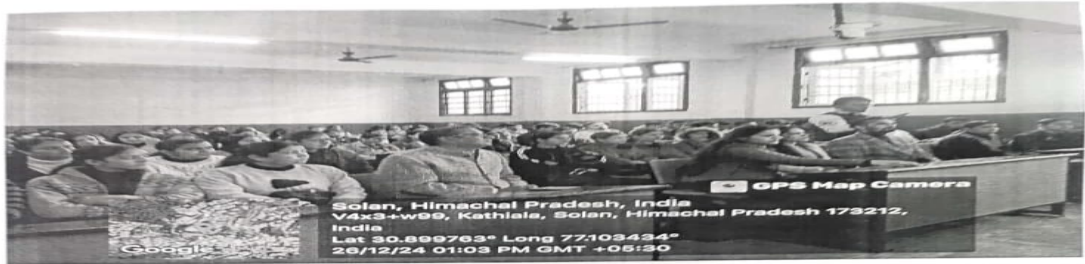

The session received an enthusiastic response from students of various streams, particularly those interested in administrative and government careers. The interactive Q&A segment allowed students to clarify doubts regarding preparation techniques, subject selection, and career prospects in the civil services. Participants appreciated the resource persons' clarity, depth of knowledge, and motivational approach.

Conclusion

The career counselling session proved to be extremely valuable for students aspiring to appear in UPSC and HPPSC examinations. The expert guidance provided by Mr. Deepak Kumar and Mr. Anil Singh helped students gain a clear understanding of the preparation process and inspired them to approach their goals with confidence and dedication.

Introduction

The Career Counselling and Guidance Cell of Government College Solan organized an informative and interactive session on "Employment Opportunities in the Telecom Sector – Technology, Design, and Marketing" on 30th December 2024 in collaboration with Vihaas Design Technology, Solan. The session aimed to introduce students to the growing career avenues in the dynamic telecom industry and its allied sectors.

Details of the Session

The session was conducted by Mr. Harsh Sharma and Ms. Nandini Sharma, experts from Vihaas Design Technology, who shared valuable insights into the emerging trends, required skills, and job roles within the telecom industry.

Mr. Harsh Sharma discussed the technological aspects of the telecom sector, focusing on areas such as network infrastructure, 5G technology, IoT integration, and digital connectivity. He emphasized the importance of technical proficiency, innovation, and adaptability in this fast-evolving field.

Ms. Nandini Sharma elaborated on the design and marketing dimensions of telecom services, highlighting opportunities in product design, branding, digital marketing, and customer experience management. She encouraged students to develop creativity and communication skills alongside technical competence to succeed in multidisciplinary roles.

Key Highlights

- Overview of telecom industry growth and emerging technologies.
- Career opportunities in technology, network management, and system design.
- Importance of design thinking and digital marketing in telecom innovation.

30.12.2024

- Guidance on skill development and professional certification courses.
- Q&A session addressing students' queries about internships and job prospects.

Student Participation and Feedback

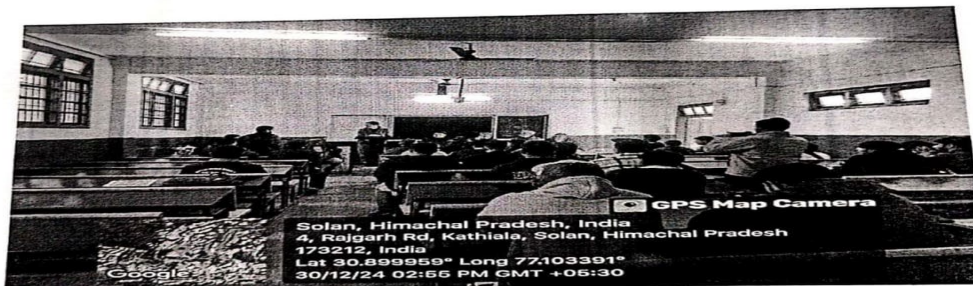

The session attracted enthusiastic participation from students across science, commerce, and arts streams. The speakers' practical examples and industry-based insights made the session engaging and relatable. Students appreciated the guidance on aligning their education with market needs and exploring interdisciplinary roles in technology and marketing.

Conclusion

The session provided students with a comprehensive understanding of career prospects in the telecom sector, blending technology, creativity, and communication. The expertise and motivation shared by Mr. Harsh Sharma and Ms. Nandini Sharma inspired students to explore emerging fields and enhance their employability through continuous skill development.
