

A Report Industrial Visit (Gabriel India Limited, Parwanoo)

The **BBA Final Year students of Government College Solan** undertook an enriching industrial visit to **Gabriel India Limited, Parwanoo** on **17th December 2025**, gaining valuable exposure to real-world manufacturing operations and corporate practices.

The visit provided practical insights into automotive component manufacturing, quality management systems, production processes, safety standards, and industrial discipline. Such experiential learning opportunities play a crucial role in bridging the gap between classroom instruction and industry expectations, truly reflecting the spirit of **Outcome-Based Education (OBE)** and **Experiential Learning**.

The department sincerely acknowledges the guidance and motivation extended by **Dr. Maneesha Kohli, Director (BBA)**, and **Prof. Renu Bala, BBA Coordinator**, whose constant support made this visit meaningful and successful.

We also extend our heartfelt gratitude to the management and team of **Gabriel India Limited, Parwanoo**, for their warm hospitality and for generously sharing their knowledge and expertise with our students.

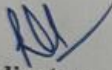

Outcome:

1. Students gained **practical exposure to automotive manufacturing processes, quality control systems, and workplace safety standards**, enhancing their understanding of real industrial operations.
2. The visit helped students **connect theoretical knowledge with practical industry practices**, supporting experiential learning and strengthening their professional awareness.

Impact:

1. The industrial visit **enhanced students' industry readiness and understanding of corporate work culture**, motivating them to prepare for real-world business environments.
2. It encouraged students to develop **professional skills such as observation, analytical thinking, and appreciation of industrial discipline and quality standards**.
