Teacher's Day Celebration

Dear Students,

We are pleased to inform you that a Teachers' Day Celebration will be organized at the Boys' Hostel to express our gratitude and appreciation towards our respected teachers.

Date: 5th September 2026

Time: 10:00 AM to 4:00 PM

Venue: Boys' Hostel

From-

Teachers Day Celebration Student Committee

Principal
Govt. College Solan

Report

DETAILED REPORT ON TEACHERS' DAY CELEBRATION AND EXPERIENTIAL LEARNING WORKSHOP

Department of B.Voc.

Government Degree College, Solan

Date: 5th September 2026

Time: 10:00 AM onwards

Venue: Boys' Hostel, GDC Solan

Occasion: Teachers' Day Celebration

The Department of B.Voc., Government Degree College, Solan, organized a Teachers' Day Celebration on 5th September 2026 at the Boys' Hostel to express gratitude and appreciation towards the teachers for their valuable guidance and contribution to the students.

The celebration was graced by the presence of the respected Principal, **Dr. Shivani Sharma** and Nodal Officer B.Voc Department **Dr. Mukesh Sharma** who joined the teachers and students in the festivities. The programme included cake cutting, presentation of special titles to teachers and the Principal, modeling activities, games, and dance. The teachers participated enthusiastically and thoroughly enjoyed the various activities organized by the students.

Objectives of the Celebration

The major objectives of organizing the Teachers' Day celebration were:

- To express gratitude and respect towards teachers for their guidance, support, and contribution to students' academic and personal development.
- To provide students with an opportunity to organize and manage a complete event independently.
- To develop students' practical skills in **event planning, budgeting, procurement, hospitality, food production, presentation, and service.**
- To help students understand the importance of **resource management and financial planning** through actual budget preparation and purchasing.
- To provide practical exposure to food preparation, plating, service, and guest handling.

Practical Workshop and Experiential Learning Component

An important aspect of the programme was its **practical and experiential learning component**. Rather than limiting the celebration to entertainment, students were given responsibility for managing several real-life aspects of the event.

The activity functioned as a practical workshop in **event management, hospitality operations, budgeting, food production, purchasing, and service**.

Students gained hands-on experience in:

- | |
|---|
| • Preparing an event plan. |
| • Estimating the required expenditure. |
| • Preparing and managing a budget. |
| • Planning a suitable menu. |
| • Preparing a purchasing list. |
| • Purchasing and managing ingredients. |
| • Coordinating food preparation. |
| • Maintaining teamwork during production. |
| • Preparing and presenting food. |
| • Plating food appropriately. |
| • Serving teachers and students. |

This approach enabled students to understand the relationship between **theoretical classroom learning and practical application**.

Food Preparation and Hospitality

The lunch served during the celebration was a particularly important component of the practical learning activity.

The **menu was planned by the students**, and the students themselves undertook the responsibility of budgeting and purchasing the required ingredients. They subsequently participated in the preparation and organization of the meal.

The food was **prepared, plated, and served by the students** for the teachers as well as fellow students. Students demonstrated hospitality skills by ensuring that the food was presented properly and served in an organized manner.

Outcomes of the Programme

The Teachers' Day celebration resulted in several significant learning and developmental outcomes for the students.

Academic and Practical Outcomes

Students gained practical knowledge and experience in:

- | |
|---|
| • Event planning and management |
| • Budget preparation and financial management |
| • Procurement and purchasing |
| • Menu planning |
| • Food preparation |
| • Food presentation and plating |
| • Hospitality and guest service |
| • Time management |

Skill Development Outcomes

The activity helped students develop important employability and professional skills, including:

- | |
|---------------------------------------|
| • Leadership and responsibility |
| • Communication skills |
| • Teamwork and cooperation |
| • Decision-making |
| • Problem-solving |
| • Creativity |
| • Time management |
| • Financial awareness |
| • Customer/guest handling |
| • Professional behavior |
| • Confidence and interpersonal skills |

Conclusion

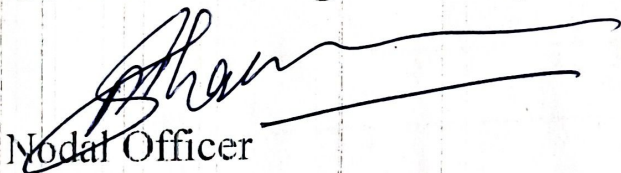

The Teachers' Day Celebration organized by the Department of B.Voc., GDC Solan, on 5th September 2026 was a successful blend of celebration and experiential learning. The presence of Principal Dr. Shivani Sharma and enthusiastic participation of the teachers made the event memorable.

The students gained valuable practical experience through menu planning, budgeting, purchasing, food preparation, plating, service, and event management. The programme enhanced their skills in teamwork, leadership, communication, hospitality, and time management. Overall, the celebration successfully promoted teacher appreciation along with practical and professional skill development among students.
