To
The Principal
Government College Solan
Himachal Pradesh

Date :- 08 Sept-2025

Subject: Request for permission to Celebrate
Teacher's day on 10th September

Respected Ma'am

We, the students of B. Voc Department, Humbly
wish to organize a program to Celebrate
Teacher's day in our institution.

Unfortunately, this year we were unable to
celebrate the occasion of 5th September due
to heavy rainfall and the Government -
declared Holidays. In view of this we

request your kind permission to Celebrate
Teacher's day on 10th September 2025 within
the premises of B. Voc Department.

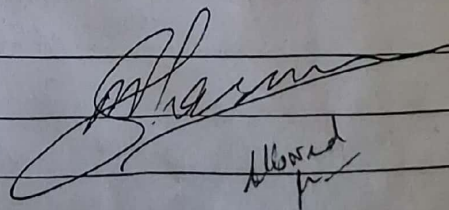

We assure you that program will be conducted
in a disciplined and respectful manner,
with due regard to the decorum of the
institution.

We therefore seek your approval for the same
and shall remain thankful for your kind
consideration.

Thanking you

Yours Faithfully

Report on Teachers' Day Celebration and Workshop

Organized by: B.Voc Department

Date: 10 September 2025

Venue: B.Voc Hospitality & Tourism Lab

The B.Voc Department of Government College Solan celebrated **Teachers' Day** with Great Spirit and appreciation to honor the dedication and hard work of teachers. Originally planned for September 5th, the event had to be **postponed due to heavy rainfall and flash flood conditions** across Himachal Pradesh. The safety and well-being of students and staff were prioritized during this time of natural disruption. The program was successfully conducted on **10 September 2025**, and was further enriched by a **hands-on workshop**, making the celebration both meaningful and engaging. The department was privileged to host **Dr. Maneesha Kohli**, Principal of Govt. College Solan, as the **Chief Guest** for the occasion.

Event Highlights:

The celebration was unique as it was **combined with a practical workshop**, aligning with the vocational spirit of the B.Voc program. Under the guidance of faculty members, the students took an active role in preparing and presenting a variety of food items. This hands-on activity not only demonstrated their skills but also emphasized the importance of experiential learning.

Dr. Maneesha Kohli addressed the gathering and shared her insights on the role of teachers in holistic development and how vocational education is bridging the gap between theoretical learning and practical application. She appreciated the department's efforts in promoting self-reliance and creativity among students.

The workshop segment allowed students to showcase their culinary talents. From planning the menu to preparation and serving, every aspect was handled by the students themselves, turning the event into a celebration of both **gratitude and skill**.

Vote of Thanks:

The program concluded with a heartfelt vote of thanks extended to Dr. Maneesha Kohli for her valuable presence and encouragement. The department also expressed gratitude to the faculty and students whose teamwork and dedication made the event a success.
