

REPORT ON ART WORKSHOP

Department of Painting

Date: 29th October, 2025

An Art Workshop was organized in the Department of Painting on 29th October, 2025 under the supervision of **Dr. Chaman Sharma, Associate Professor**. The workshop provided a creative and interactive platform for the students to express their artistic ideas on the theme “**Colours of Nature.**” Students worked in various mediums such as acrylic, watercolour, pastel, charcoal and mixed media, exploring diverse techniques and visual approaches.

Objective

- To encourage students to observe and interpret the beauty of nature through artistic expression.
- To provide hands-on training in different painting mediums and techniques.
- To enhance students’ creativity, imagination, and understanding of colour harmony.
- To offer guided practice under expert supervision for improving artistic skills and confidence.

Outcome

- Students successfully created artworks reflecting the vibrancy, diversity and emotional essence of nature.
- They gained practical experience in handling multiple mediums and learned new techniques demonstrated during the workshop.
- The workshop strengthened their conceptual development, compositional skills and ability to represent natural forms effectively.
- Participants felt motivated and more confident in exploring themes related to nature in future projects.

Conclusion

The Art Workshop proved to be highly productive, enriching and inspiring for the students. Under the guidance of Dr. Chaman Sharma, they not only improved their technical proficiency but also deepened their appreciation of nature as a source of artistic inspiration. The workshop fulfilled its objectives and contributed significantly to the creative growth of the students in the Department of Painting.

Dr Chaman Sharma

Associate Professor (Painting)
