

ORIENTATION PROGRAMME

On 20 August 2024, an orientation programme was conducted for first-year students. The primary objectives were to familiarize the students with the curriculum, key institutional facilities, programme structure, academic expectations, and available student services & resources. This programme was designed to help new students transition smoothly into the academic environment, clarify expectations, and introduce support systems of the institution. It began with a warm and insightful address by our esteemed Principal, Dr. Rita Sharma and Prof. Renu Bala (BBA Coordinator) who welcomed the first-year students and set a positive tone for their academic journey at Government College Solan. The programme was also attended by our valued faculty, administrative staff and senior students from the college.
