Staff Badminton Match

Report

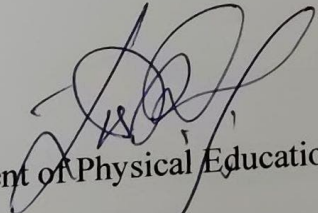

Date of event: -16.05.2025

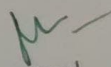

Venue - College Badminton Court

Organized by: Department of Physical Education

In an effort to promote physical wellness, inter departmental camaraderie and a culture of active participation among faculty members, the department of Physical Education organized a staff badminton match on 16/5/2005. This initiative was aligned with the College broader commitment to the Fit India movement and the holistic development of its academic community.

The event was inaugurated by our respected Principal, who addressed the gathering with an encouraging message on the importance of integration sports into daily life. The matches were conducted in doubles format for male faculty members. Faculty members from various departments participated with great zeal, showcasing not only their athletic skills but also a spirit of team work and mutual respect.
