To

The Principal
Government College, Solan
Himachal Pradesh

Subject: Request for permission to organize a plantation drive in the college campus

Respected Madam,

It is requested for the permission to organize a plantation drive within the college campus as per reference to the letter No. EDN-H (4)A(1)16/2025 dated 05/07/2025 received from Joint Director, Higher Education, Himachal Pradesh. Eco Club of college in collaboration with the Rover and Rangers Unit planned to conduct the plantation drive on 12 August, 2025 from 10:00 AM onwards as per "EK Ped Maa Ke Naam" campaign under NCAP.

Our objective for this initiative is to contribute to a greener environment on campus and raise awareness about the importance of native medicinal plants and conservation among the students. We believe this activity will not only enhance the aesthetic appeal of our campus but also foster a sense of environmental responsibility among the student body.

The members of both the Eco Club and the Rover and Rangers unit will actively participate, and we will ensure that the planted saplings are properly cared for and maintained.

Thanking you,

Yours Obediently,

3/8/25
Prof. Nivedita Pathak

Convener, Eco Club
Govt. College Solan

28/08/25

Report: Tree Plantation Drive under Ek Ped Maa Ke Naam Campaign

On 12th August, Eco Club and Rovers/Rangers unit of Government College Solan jointly organized a tree plantation drive in the college campus under the 'Ek Ped Maa Ke Naam' campaign. A total of 100 students participated in this event. The initiative focused on planting medicinal plants within the campus, aiming to raise awareness among students about local biodiversity and the significance of medicinal plants. The campaign's objective was to educate students about the importance of these plants in the ecosystem and encourage them to contribute to their conservation. The event was inaugurated by Dr. Manisha Kohli, Principal of GC Solan. She urged students to contribute to environmental conservation and inspire others to do the same under the guidance of Eco Club coordinators Professor Nivedita Pathak, Dr. Prem Prakash Negi, Rover leader Dr. Nekkashyap, Dr. Arti Negi, Dr. Tanvi Kapoor, and Ranger leader Dr. Preeti. The initiative aimed to foster a sense of responsibility among students towards the environment and promote continuous awareness about environmental conservation among the general public.

Outcomes of the Tree Plantation Drive

- 1. Enhanced Environmental Awareness:**
The event successfully increased students understanding of local biodiversity, particularly the ecological and medicinal value of indigenous plant species.
- 2. Promotion of Medicinal Plant Conservation:**
By planting medicinal plants within the campus, students developed a sense of responsibility toward protecting and preserving important plant species.
- 3. Active Student Participation:**
With the involvement of 100 students, the event fostered teamwork, volunteerism, and a shared commitment toward environmental sustainability.
- 4. Strengthened Institutional Eco-Initiatives:**
The collaborative effort by the Eco Club and Rovers/Rangers unit reinforced the college's ongoing mission of promoting green practices and environmental stewardship.
- 5. Leadership and Guidance Reinforcement:**
The presence and encouragement of the principal and coordinators motivated students to take initiative in environmental activities and become ambassadors of eco-conscious behavior.
- 6. Improved Campus Green Cover:**
The plantation drive contributed to enhancing the college's green space, which will support ecological balance and create a healthier campus environment.
- 7. Long-Term Behavioral Impact:**
Students were inspired to adopt environmentally responsible habits and to spread awareness within their communities, aligning with the goals of the "Ek Ped Maa Ke Naam" campaign.
