Report

Drug Abuse and Road Safety Awareness Program at Government Degree College Solan

The Road Safety Club of Government Degree College Solan organised a Drug Abuse and Road Safety Awareness Program on August 21, 2025 in the college hall under the ongoing activities of the college's Foundation Day celebrations.

The program was graced by Dr. Amit Ranjan, District Health Officer, Solan, and Mrs. Dayavati Guleria, Sub-Inspector, Traffic Police Solan, as chief speakers. Dr. Amit Ranjan addressed nearly 300 students present in the auditorium and explained in detail the trend of drug addiction and its harmful effects. He shared real-life examples of youth in Solan town and Himachal Pradesh who have fallen victim to drugs, especially chitta (heroin), to make students understand the causes and consequences of addiction. He expressed concern that the trend of drug abuse is particularly increasing in educational institutions. Dr. Ranjan emphasized that drug addiction often begins with smoking and gradually progresses to substances like chitta, which can prove fatal in many cases. Hence, it is extremely important to make the youth aware of its dangerous effects.

Under the session on road safety awareness, Sub-Inspector Dayavati Guleria informed the students about road safety precautions, traffic rules, and the main causes of accidents. She further stressed that everyone should strictly follow traffic rules and must not risk their lives by violating them.

The program began with a formal welcome of the chief guests by Senior Professor Dr. Anant Vidya Nidhi. On this occasion, the Principal of the college, Dr. Manisha Kohli, informed that various activities are being organized throughout the week as part of the Foundation Day celebrations of the college.

The Convener of the Road Safety Club, Dr. Mukesh Kumar Sharma, shared that around 300 students participated in this awareness campaign. He also acknowledged the significant contributions of Road Safety Club members — Dr. Vandana Gupta, Dr. Ravi Ram, Dr. Katyani Sharma, and Dr. Alisha Chauhan — in making the program successful.

All the teaching and non-teaching staff members of the college were also present on the occasion
