Street Play on Road Safety Awareness Organised at Government Degree College Solan

The Road Safety Club of Government Degree College Solan successfully organised a street play on road safety awareness in the college campus today, on December 12, 2025. Through this street play, the students of the Road Safety Club effectively highlighted various important road safety issues such as driving under the influence of alcohol, misuse of mobile phones while driving, over-speeding, proper use of zebra crossings, and the importance of wearing helmets and seat belts. The performance conveyed a strong message of caution, responsibility and safe behaviour on the roads to the audience. Appreciating the efforts of the students, the Principal of the college, Dr. Manisha Kohli, stated that spreading awareness about road safety is the need of the hour. She encouraged students to participate enthusiastically in such programmes and contribute towards sensitising society. The Convener of the Road Safety Club, Dr. Mukesh Kumar Sharma, informed that the street play was organised as part of the club's ongoing road safety awareness campaigns. He added that in the future, the club will continue to organise rallies, pledge-taking programmes, workshops and other public awareness activities. Members of the Road Safety Club including Dr. Vandana Gupta, Dr. Katyayani Sharma, Dr. Ravi Ram and Dr. Alisha Chauhan, along with faculty members, non-teaching staff and a large number of students, were present on the occasion. The street play effectively presented key aspects of road safety and delivered a strong message promoting safe and responsible travel.
